been received here or contact with the enemy ship.

The search was said to be under way following radioed reports last Monday that at least two and per-haps three allied merchantmen had been attacked by an enemy raider at a position about 1,000 miles east of Rio De Janeiro. Informed quarters said the cruisers may have planes to aid them

## UNCLE SAM'S WHEAT HOARD SWELLING BY

MILLIONS BUSHELS Ragweed Flourishes
Many Vacant Lots

The hayfever season is near. People allergic to this very uncomfortable disease are viewing with alarm many vacant lots in Corsicana covered with ragweed. According to the hayfever sufferers now is the time to eliminate a part of the hayfever menace with the cutting of all vacant lots where this obnoxious weed is flourishing. A caller at the Sun office Thursday told of the location of vacant lots in the city where the ragweed crop is excellent and the harvest should be immediate and thorough.

Fighting Planes

MILIUND BUJIILO

By FRANKLIN MULLIN CHICAGO. Aug. 13.—(P)—Uncle Sam's hoard of wheat, piled up for the day when a world clamoring for bread can be satisfied in peace, is swelling by millions of bushels weekly as fast as farmers can find suitable storage space, is resulting up their grain as collateral for government loans even though market prices are the highest for August since 1929. Lending operations are running far ahead of last season, when a total of 278,000,000 bushels was stored. Up to Aug. 1, loans had been granted on 31,000,000 bushels weekly.

American Army

Fighting Planes

when a total of 278,000,000 bushels was stored. Up to Aug. 1, loans had been granted on 31,000,000 bushels, compared with less than 4,000,000 at that date a year ago, and lending was averaging 12,000,000 bushels weekly.

The government's lending is not to accumulate more wheat, because Uncle Sam already owns more grain than at any time since the ever-normal granary program came into being several years ago,

## Classification of

AUSTIN. Aug. 12.—(P)—Immediate classification of selective service registrants who have reached their 20th birthday was ordered

m accordance with current regulations and policies for filling calls.

Purpose of Organization
Judge McCormick in opening the
meeting pointed out the necessity for a centralized organization to prevent overlapping of drives and parallel war efforts. W. E. Mc-Kinney said the Council should be

includin, the carrying of the mes-sages to the rural sections, set-ting quotas, etc.

Chairman McCormick was em-

committee of five.

The council also voted to alter-

nate the sites for the monthly meetings, rather than having all sessions in Corsicana. Sale of bonds will be stressed

A committee composed of Pat tive.

Brown, McKinney and W. T. McElwee has been appointed to head a drive for \$1,000 for the Texas
Defense Guard for equipment and this campaign was endorsed by the council. Major Pierce pointed out that the armed trained men are capable of taking the place of Texas National Guard units, and explained how the headquare Chaptain Preston Jaylor, pastor are capable of taking the place of Texas National Guard units, and explained how the headquarters here are over the units in Navarro, Henderso Anderson, Houston, Freestone, Leon, Walker and Grimes counties. The officers do their traveling at their own expense. There are more than 15,000 members of the Home Guard in Texas. The money is to be used for purchase of equipment, office supplies, etc. The local company drilled 1285 hours lest month.

USO Campaign

Mayor G. M. Chapman of Kerens made an appeal that the council get behind the USO drive and

Mayor G. M. Chapman of Kerens made an appeal that the council get behind the USO drive and see that the county's quota is raised. He termed the failure as "a shame" as USO gives the boys a vay from home the proper surrounddings, and cited excerpts from letters and conversations with service men as to its place in the present war. Chairman Hastings said the campaign was still open. Mrs. R. B. Mitchell stated there would not be a Red Cross dive this fall here. Cross drive this fall here.

which features advanced English and is still in progress.

This course incorporates the same number of teaching hours required during a long session and make it possible for several students to graduate and enter college in the fall. Approval of the state board of education was given the course which constituted a part of course which constituted a part of the increased educational program throughout the state due to the

Superintendent Norwood nounced that enrollment dates would be published as soon as the various programs are completed.

The annual school calends The annual school calendar, which lists the dates of the beginning and ending of the fall and spring terms and the intervening holidays, was issued today by Superintendent Norwood. The calendar is as follows:

day.
April 23, 1943, Friday, Good Friday, holiday.
May 28, 1943, Friday, end of 194243 school term.

### Boy Scouts Board Of Review Be Held

basis.

Cross drive this fall here.

A motion was passed endorsing all drives now in progress including USO and bonds and stamps. Considerable discussion ensued relative to various campaigns, particularly in the East and expected to reach this area, with war effort or patriotic appeals. Some of the questionable campaigns and measures were explained by the council for war or replied measures. Dillard said he had information there were 57 different organization set up to carry on campaigns with patriotic appeals. He pointed out one was that wins admiration and compliments if you come in for professional beauty care regularly. Start this week!

### APPLICANTS TIRES MANY TIMES NUMBER UNITS AVAILABLE

Officials of the Navarro County war price and rationing board stressed the necessity today for all applicants for tires and tubes to closely inspect approved lists of applications which are released each month through the columns of the Daily Sun and Semi-Weekly Light newspapers.

Corsicana; Homer Pace, Corsicana; W. L. Lynch, Corsicana; P. E. West, Corsicana; R. T. Luther, Barry; V. D. Curry, Purdon; W. Burns, Purdon; G. I. DeRusha, Emihouse; Ed Wood, Hester; Clyde Burns, Dawson; E. E. Rash, Eureka; A. J. Snyder, Purdon.

Truck, Heachamp-Patrick.

Chairman Wilbur A. Wright pointed out that a number of approved applicants failed to return last month for their purchase certificates, resulting in the loss of these tires and tubes under the July quota. He reminded all applicants that approvats for the purchase of tires and tubes are granted for a 30 day period only.

Commenting on the number of applications of the purchase of

granted for a 30 day period only.
Commenting on the number of applications received for tires and tubes, Chairman Wright said that the number exceeds by nearly five times the amount of tires and tubes the board is permitted to issue each month. This fact has caused conmonth. This fact has caused con-siderable delay in supplying tires to approved applicants who are in urgent need of them, he said. Following is a supplementary list of approved applicants who are eligible for purchanse certificates under the August quota:

Sam Rowe, Kerens; J. L. Tur-ner, Dawson; Elmer Porter, Hub-bard; W. B. Smith, Kerens; E. L. Talley, Corsicana, retread; J. L-Whorton, Kerens.

## REGISTERED BULLS FEATURE DAIRY SHOW

PRESENTATION OF

Presentation of ten registered bulls to qualified farmers throughout this section of the state by the American Jersey Cattle Club and official classification of dairy herds in Navarro county will feature a large two-day dairy show here August 19-20.

Plans for the affair were completed at a meeting of the dairy committee of the Chamber of Commerce Tuesday morning. A. F. Mitchell, chairman, presided, It was announced that Governor Coke R. Stevenson, who recently indicated he would be present, has informed officials that he would be unable to strend.

would be unable to attend.

Two-Day Show. Two-Day Show.

The two-day show will open Wednesday morning. August 19, at 10 o'clock at the Corsicana fair grounds where a large number of dairy cattle will be classified. This will be followed by the presentation of the ten registered bulls. The bulls, given by the American Jersey Cattle Club, are being distributed for herd improvement in this section.

Of 1,000 registered bulls being given away in the United States, 66 are being allotted Texas farmers. Corsicana was recently designated as one three distribution points.

points.

Guests Service Clubs.

The three Corsicana service clubs.
Lions, Rotary and Civitan, will meet in joint session Wednesday noon, having as guests the winners of the bulls and outstanding dairy officials scheduled to be here for the selfair.

Blooming Grove and Emmuns heavy showers and other sections reported showers with additional rain during the morning.

The rain, in most sections, was not heavy enough to furnish moisture for crops or to affect the general farming conditions.

W. R. Reid Returns

To Highway Patrol

M. R. Reid, formerly well-known State Highway patrolman, has returned to the patrol and is now stationed in Dallas.

Reid was stationed in Corsicana tor several years, later resigning to become affiliated with the Air Activities of Texas primary training school here. He rosigned at the air school and has been back with the patrol for several weeks, it was stated.

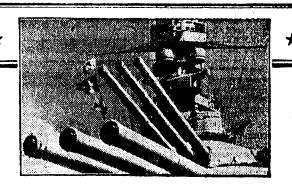

State With Chorus

DENTON, Aug. 11.—(Spl.)—Jew-leading and Frances Hodge of Chatfield, both students at North Texas State Teachers. College, will appear with the 100-voice student chorus which will present Verdi's "Requiem" on Sunday, August 16, at 5 p. m., in the college main auditorium. The chorus and symphony orchestra will be presented under the direction of Dr. Wilfred C. Bain, head of the North Texas state music department, in the most outstanding campus musical event of the summer.

On Sunday, the Australians made thrusts with three groups of their skirmishers and at least 35 Japanese were killed, many were wounded and many war trophics seized

#### Dr. E. W. Solomon Observed Birthday

A news item carried in the Fort Worth Star Telegram and other state papers coming from Dayton, Texas, there is a very interesting story about Dr. E. W. Solomon, at one time pastor of the First Methodist church in Cor-

Solomon celebrating his 91st birth-day anniversary at the Methodist church in Dayton Wednesday. Dr. Solomon, who has been in the ministry 70 years, is the oldest ministry 70 years, is the policy of ference and in the opinion of ference and in the opinion of ference and in the plants of the Japanese-occupied town of 70 young (Yochow) in the northeastern corner of Hunan province 70 young (Yochow) in the northeastern 70 young (

American crews in six bombers over the occupied lands was a scattered operation by an incom-

plete unit.

The 31 operations were carried out in sweeps with units from the RAF.

The American units had been established on fields within easy reach of France for several days awaiting only good weather.

The first operations took place only a few hours after Maj. Gen. Carl Spaatz, chief of the U. S. sarmy air forces in the European theater, had announced that his men were ready to strike Germany "in the immediate future."

Regular Patrols.

The 20 sea sorties, referred to in the communique, were regular three-plane patrols over the channel to intercept sneak raiders or reconnaissance planes of the en-

Caucasus Situation Acute

The Russians frankly conceded that the situation in the Caucasus, where Hitler's motorized infantry was rapidly overrunning the whole northern Caucasus, was acute.

Waves of 40 to 60 Nazi divebombers were reported rainings tons of high-explosives on towns and villages, leaving the once pastoral Caucasus in flames.

"German and allied troops, despite stubborn enemy resistance, drove the enemy further back in the Caucasus region. One Russian group was cut off and destroyed," Nazi field headquarters said.

"Between the Volga and the Don, the attack of German and Rumanian troops against stubbornly defended positions gained additional ground in fierce fighting."

This apparently referred to the Rosling and sadditional ground in fierce fighting."

## We Are Still Calling For Scrap

Through the Harvester Company and their dealers there has been more than a million tons of scrap Iron gathered for our defense. We have called your attention to the great need many times through our space from week to week, many of you have responded but more of you haven't done so and there is still large quantities of scrap ungathered in our County. Some mills are shut down and a two hundred ship contract has been cancelled for the want of it. My boy is now on the firing line with a great homber and Uncle Sam is much in need of the old iron lying around your place to make bombs for him and many others to drop on our enemies. ARE YOU GOING TO FUR-NISH IT? Please don't delay further. Our freedom depends upon what you and I and every living soul in America does in this great struggle.

REMEMBER US WHEN YOU NEED SOMETHING FUR THE FARM. Just received a car of H Farmalls.

#### FIFTH COLUMN

on the cooperation of everyone." on the cooperation of everyone." Constantly reinforced nazl columns the total being near solve, own in 1939, 1940 and had more than a year and a half to operate in this country, since the letter was written, the committee was reported to have taken the position that all persons identified with nazl movements in America should be under constant surveil.

Constantly reinforced nazl columns the tectal being near solve, 000,000,000 had bushels grown in 1939, 1940 and 1941. Rather, loans are offered to prevent farmers from dumping the new crop on the market.

Military advices reported the position that all persons identified the producer can obtain by using grain as collateral is should be under constant surveil.

Close to 3,000 of the names are of persons the committee claims contributed to the "Kyffhauser-bund," and several thousand others were identified as being associated with the "American-German Volkabund," which Kappes' letter described as 'by far the most active and most indoctrinated combat group in American-Germanism.

\*\*X \*\*X."

How the letter come into the

How the letter come into the committee's possession was not dis-closed. It was written in German, dated at Stuttgart, Germany, Jan-nary, 1941, and bore an admonition that those who received it were to keep it confidential. It was num-bered One of what presumably was a series of instructions sent cut by Kappe from the House of Germanism, near Stuttgart.

veyed 3,000 businesses and industrial units and estimated corporations would net about \$18,000,000,000,000 this year.

It proposed the treasury take \$11,900,000,000 in taxes and leave approximately \$6,000,000,000—or 2.7 per cent of estimated gross receipts—for dividends, reserves and additional working capital. He estimated that on the same basis corporations would pay \$13,500,000,000 in 1943

Would Slash Non-War Spending. Such a total, he asserted, was 'far beyond the, corporate payments anyone in government has so far estimated or asked for."

To make up the \$37,200,000,000 total in 1943, the NAM would slash \$2,000,000,000 from non-war expenditures, collect \$5,200,000,000 by the sales levy, \$9,000,000,000 in individual income taxes at rates lower than those now pending, and obtain \$7,500,000,000 from excise, employment, customs and miscellaneous taxes not covered in its recommendation.

laneous taxes not covered in its recommendation.

"About all the ingredients of a runaway inflation are with us now," Cowdin declared, "and we can on longer afford to hide our heads in the sand. We must take drastic action.

"A sales tax will be one step in that direction, and we urge consideration of compulsory savings as an additional step." laneous taxes not covered in its

"A bad tax bill can lose the an additional step."

Through Cowdin, the NAM surSun Want Ads Bring Results.

#### RUSSIAN

constantly reinforced nazi columns the total being near 300,000,00

troaches to Stalingrad, but the picture in the Caucasus, where Adolf Hitler is reaching out for the o'll to feed his fighting machine, was grave.

grave.

New concentrations of dividenments were reported pacing the German drive, raining tons of high rexplosives on Caucasian towns in taids carried out by waves of 40 to 60 planes.

The army newspaper, Red Star, reported a three-day action, ended two days ago, in which Russians penetrated 12 miles into the rear of German positions in the Don El-bow, killing 4,200 of the foe, it was said. From another sector of Russia's

From another sector of Russia's great front, Pravda, the communist party organ, reported a 120-plane raid on Leningrad, in which is said 30 of the attackers were downed. The Germans also used parachutists in that lunge at the northern city but were speedily mopped up, Pravda said.

Dispatches from the Caucasus front said that one nazi spearhead aiready was less than 200 miles

aiready was less than 200 miles from Granzy after breaking through the Russian lines at Cher-lessk, a small town in the Cau-casus foothills 70 miles southeast

of Armavir.

(The German radio indicated that the nazi forces might be less than 170 miles from Gronzy, reporting that advance elements had

than 170 miles from Gronzy, reporting that advance elements had reached the "region of the Terey river" which flows into the Caspian northwest of Gronzy, in their thrust through Cherkessk.)

Sixty miles northwest of Cherkessk, the information bureau's midday bulletin said, Russian forces were fighting flerce battles in the Maikop oil fields with enemy tanks and infantry thrusting toward Tuapse.

Paint Is a Necessity You can still buy paint without priorities. Why not buy the best? You are paying for it. LYON-GRAY LUMBER CO.

#### WHEAT

continued from first page continued from first page continued from first page

ossisk and Tuapse.

Military advices reported the Germans were massing vast quantities of men and equipment in the Don Elbow and told of a sudden intensification of fighting near Kotelnikovsk, 95 miles southwest of Stalingrad.

Many Men Engaged.

Both armies were reported throwing almost 'unprecedented numbers of men into the fray in this sector and there were indications that the battle might develop into one of the mightiest yet seen on the whole Russian front.

Thus far the Russians seemed to be holding their own on the approaches to Stalingrad, but the picture in the Caucasus, where Adoff Hitler is reaching out for the old in the research and the produced that if the premium producers can obtain by using grain as collateral is not diminished through price rises to or above loan rates the next few months, possibly more wheat will be stored this season than last. In this event, the total in the ever-normal granary may be near 700,000,000 bushels. However, this would be less than half of the record supply available for the 1942-43 season estimated in excess of 1,500,000,000 bushels. Thus, there would be left more whereas normal annual requirements for domestic use are less than 100,000,000 bushels. Thus, there would be less than 100 the premium producers can obtain by using grain as collateral is the new crop on the producers can obtain by using grain as collateral is the premium producers can obtain by using grainas collateral is the premium producers can obtain by using grainas collateral is not diminished through producers can obtain by using grainas collateral is not diminished through producers can obtain by using grainas collat
